message

Providing an advanced system capable of providing educational, research and community services that keep pace with developments The optimal use of modern technologies within the framework of quality and ethical values was approved by the College Council, session No. 226, on 8/12/2020 AD

Mechanisms that ensure transparency when applying criteria for selecting leaders

- ❖ A committee of academic leaders in the college is formed to nominate unit directors.
- ❖ Determine the special specifications required in the light in the specific light taking into account in the first place the best selection
- ❖ Elements.
- ❖ Nominate those who most closely meet the specifications.
- ❖ Selection and comparison are made between them in light of specific criteria (administrative and leadership capabilities, activities
- ❖ Quality and development).
- ❖ A committee meeting is held with the candidates, and through this, the best applicants are determined.
- ❖ The matter is presented to them and they are addressed to submit the relevant CV and development program for study by whoever wishes to nominate him for the vacant position, accompanied by his achievement of his license in the field of specialization for the announced units.
- ❖ The committee examines the CV and nominates the best applicants.
- ❖ An interview is scheduled with the Dean of the College.
- ❖ It is announced on the college's website.

Leadership and Governance Team

Dean of the College

Prof. Dr. Amal Muhammad Youssef

It was approved by the College Council at its (212) session on 10/9/2019.
