Conference of Chest Department Zagazig University, Faculty of Medicine 2022

Welcome Message.

We welcome you to our Conference of Chest Department Zagazig University, Faculty of Medicine, which is held in Mercure Ismailia Forsan Hotel on the 10th and 11th of February 2022.

The chest department is one of the vital clinical departments in Zagazig University Hospitals. It is characterized by continuous scientific and research activities and serves a large number of patients, whether in the outpatient clinic or in the internal departments and intensive care unit.

This department has played an active and vital role in facing the Corona pandemic. The department has a high-level bronchoscopy unit, chest ultrasonography and a rehabilitation units as well as a unit for the diagnosis and treatment of sleep disorders.

We Would like to extend our sincere thanks to all the members of the department, for the constructive participation in the education of our students at the undergraduate or postgraduate levels, the College of Clinical Pharmacy and the College of Nursing.

Zagazig Faculty of Medicine and all Zagazig University are under the auspices of great leaders, and we wish the progress of our beloved country, dear Egypt.
