## **JOB FAIR PROPOSAL 2026**

### **Faculty of Pharmacy, Zagazig University**

#### *Diverse Career Paths*

The strategy of the Faculty of Pharmacy - Zagazig University emphasis the importance of providing advanced programs to qualify our graduates to highly compete in the job market. We are planning to organize the annual job fair 2026 during 14-16 and 19<sup>th</sup> April 2026. Our fair aims to explore diverse career paths for pharmacists and provide training and available job opportunities to students and graduates.

Our job fair attracts a large number of Pharmacy students and graduates from our faculty and other universities in the region. The fair will offer the employees an excellent prospect of active participation at the venue, offer training opportunities and use the database for future staff recruitment. Eminence candidates, face to face mock interviews with the benefit of full media coverage facilities are just a few of the many benefits that will be offered to employees.

Our job fair is bringing together potential employees, experienced professionals in the pharmaceutical and medical fields and pharmacy students on the 19<sup>th</sup> of April 2026 at the Faculty of Pharmacy, Zagazig University. National and international pharmaceutical companies as well as medical centers and hospitals are among exhibitors in our job fair. Therefore, your participation at the event is crucial, as you will come across the best candidates and professionals accessible in the job market. Moreover, supporting high quality and innovative recruitment, investing in human resources and assisting in capacity building as a participant, will contribute to human resource development.

This proposal contains the schedule of the event, and other information that will facilitate your experience at the event.
